TERMS OF BUSINESS

All our fees and 3rd parties (commonly known as disbursements) must be paid in full 2 working days prior to the date of the funeral. We will pay the disbursements on your behalf (crematorium/burial fees, doctors fees & officiant fees) and these costs will be included within your invoice.

Consideration and agreement with regards to payment after the funeral will be given where monies are coming from a 3rd party (e.g. Life Insurance, Pension, shares, etc) or from the estate of the deceased.

If payment is not made prior to the funeral date, then without to any other remedies available, the company retains the right to cancel the funeral until the account is paid in full. Outstanding payments may incur interest charges at a rate of 4% above our banks base rate and should we need to take legal action to recover any outstanding debts, all recovers charges will be added to the outstanding invoice.
