

Adam & Greenwood

Independent Family Owned Funeral Directors

About Us

Adam and Greenwood is an independent, three generation family owned Funeral Directors and is currently run by two generations of women.

It was co-founded in 2006 by Father-Daughter duo, Ray Ward and Jackie Sawtell, after they created Herongate Wood Woodland Cemetery.

Following the Cemetery's success they found that local families were reaching out for them to provide the full Funeral Service alongside running the Cemetery.

They made the decision to purchase a Chelmsford based office and the business has grown from there. We now have branches in Chelmsford, Maldon and Billericay.

We hope to continue expanding and being able to offer our services to more in need families.

Arranging a Funeral

Our Funeral Directors have years of experience helping families craft a tailored service that best reflects your loved ones life.

We are here to support and guide you through this difficult time and assist you in making any necessary decisions.

We can help to arrange Burials, Cremations, Ashes interments or scattering as well as more specialised arrangements including Repatriation of your loved one to a different country and Exhumation.

Our staff are here to help you 24 hours a day 365 day a year, and can always be reached when you need us most.

*We will ensure we look after
your loved one with the utmost
respect and care*

Our Services

We aim to make every funeral bespoke to you, your family and your loved one. We are able to help you select options such as: music and visual tributes, someone to lead the service such as a Minister or an Officiant, a coffin from our large range of coffins, orders of service and flowers.

We have our own fleet of black hearses and limousines and can also provide options for a unique send-off including vintage cars, motorbikes, speciality vehicles or even horse drawn hearses.

Funeral Plans

We can create Funeral plans so your wishes are written down and stored for when your family needs them. Funeral Plans can help with the cost of the funeral by paying for it now at today's prices. We are an appointed representative of Golden Charter who provide a safe and reliable way to plan ahead.

Bereavement Support

At our Chelmsford branch we offer Bereavement support meetings. These are held by one of our funeral arrangers who has gone through Bereavement training. She leads small groups through a six week program to help families understand what they are feeling and hopefully find some comfort.

Our friendly team are always on hand to help you with any queries you may have.

New London Road Branch

Our New London Road Branch is the hub of our business. We were so grateful to have the opportunity to restore a historical Chelmsford building back to its former glory. We filled it with love and handmade quilted art by the original co-founders wife and mother, Carole Ward, to give families a safe and comfortable environment to plan their loved one's funeral.

Hall of Remembrance

Our on-site Hall can comfortably seat 100 people with room for many more to stand. Services can be religious or non-religious. The service hall can be personalised by adding flowers, pictures, and electric candles to make the space best reflect your loved one's life. Unlike the crematoriums there is no time limit for a service held at our Hall, so you can have as much time needed to say an unhurried goodbye.

We have the facilities for visual tributes, music and web-casting, meaning that if someone is unable to attend in-person they can watch the service via live-stream or a recording can be saved for viewing at a later date.

Wake Venue

The Hall can also be used as a wake venue; we work closely with a local independent catering company and they can cater for small or large group of people.

"All ran smoothly. Hall is great for people with walking difficulties."

"All done in the same place. Everyone said what a lovely service."

"Good help in planning, managed excellently on the day. Friendly and helpful. We like being able to have the funeral and wake at the same location. Overall happy, would recommend."

Herongate Wood

Herongate Wood Woodland Cemetery is our family owned Green Cemetery, located in Brentwood, Essex. This 25 acre cemetery is being transformed from grazing land into a bluebell wood, with trees being planted along each avenue to create a tranquil place to visit your loved ones.

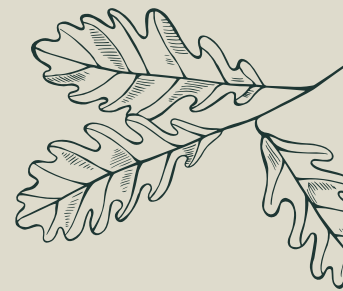

Hall of Remembrance

Herongate Wood has an on-site Hall to hold services and is large enough to fit up to 90 people. Herongate Wood also has the option for outside services to be held on the sun terrace over-looking our natural pond. Herongate Wood can accommodate full burials, ashes interments and ashes scatterings.

It also provides multiple memorial options to best suit your family.

"We both loved the idea of being under the bluebells, and the staff were friendly and professional."

Barbara.
